## WARRANTY

Impacta™ Underlayments will remain responsible for the performance/consistent quality as long as they have installed according to the written instructions supplied by Sound Seal and in situations where the specific Impacta model is meant to be installed. Sound Seal warranties that spillage of casual water onto a finished floor with CeraSilence installed will have no effect on the performance of the CeraSilence. Any liability for sub-sequential damage is not accepted. The sound reducing capabilities of Impacta underlayments have been tested under laboratories conditions and therefore may differ in other situations.
